Wakunaga and Reseller are each sometimes referred to herein as a "party" or collectively as the "parties." The parties agree as follows:

Definitions.

- Products: The ("Product(s)") shall mean the approved Wakunaga branded lines of products and related equipment and accessories listed on Schedule A.
- Territory: The ("Territory") shall mean the United States of America.
- Effective Date: This Agreement shall become effective on the date this Agreement is signed by both parties.
- End-User: An ("End-User") shall mean any purchaser of the Product(s) from the Reseller who is the ultimate consumer for whom the Product is designed and who does not intend to resell the Product to a third party.
- Transship: ("Transship") shall mean the sale of Product(s) to any entity other than an End-User.
- Term: The ("Term") of this Agreement shall begin on the Effective Date and continue in full force and effect until it is terminated in accordance with Section 6 of this Agreement.

1. Internet Appointment. Wakunaga grants to the Reseller and the Reseller accepts the non-exclusive right to fulfill orders and to market, sell, and distribute the Products to End-Users located in the Territory solely on the Internet URL locations listed in the then-current Internet Reseller Profile attached hereto as Schedule B and approved by Wakunaga.

2. 3rd Party Internet Marketplaces. Reseller, *ONLY if approved specifically by Wakunaga*, shall be allowed to sell or advertise Products on certain approved 3rd Party Internet marketplaces under certain approved names.

3. Transshipping. Reseller shall not knowingly Transship the Products, specifically; it shall not sell or transfer any of the Products to any person or entity for resale. Reseller shall not sell or offer for sale any product bearing a trademark, copyright, patent, or name associated with Wakunaga or one of Wakunaga's branded lines of products, which Reseller purchased or obtained from a source other than directly from Wakunaga. Reseller shall not obscure or alter in any fashion any Product or its packaging.

4. Geographic Sales Boundary. Reseller may only sell and advertise for sale the Products within the Territory. Wakunaga hereby expressly prohibits the Reseller from soliciting or consummating sales outside the Territory.

5. Commingled Inventory. Reseller shall not cause or allow the Products to be sold on a third party marketplace if the Reseller is unable to certify that all Products purchased from Reseller are fulfilled with Products the Reseller purchased from Wakunaga or a Wakunaga Authorized Distributor.

6. Sales by Auction. Sales by the Reseller of Product(s) by way of online auction are prohibited.

7. Liquidated Damages. **For each occasion that Reseller breaches Sections 1, 2, 3, 4, 5, or 6 of this Agreement by engaging in the unauthorized sale of Products, in addition to all other remedies available to Wakunaga under this Agreement and at law, Reseller agrees to pay Wakunaga, as liquidated damages and not as a penalty, the greater of the following amounts: (i) the costs and fees associated with Wakunaga's investigation and enforcement regarding the unauthorized sales; or (ii) five times (5X) the MSRP of the Product(s) per unit of Product. The parties agree that these damages are not punitive.**

8. URLs/Domains. Reseller's domain(s) and URL(s) must not contain the word "Wakunaga" or any Wakunaga owned brand name or any other trademark used or owned by Wakunaga, including any variation or combination of these words or trademarks with each other or with other words.

Examples of Prohibited Domain Names and URLs: www.joesWakunagashop.com; www.joesWakunagaheadquarters.com; or www.joesWakunagashop.net.

Exception: Trademarks authorized by Wakunaga for online use by Reseller (the "Authorized Marks") may appear in the text to the right of the ".com/" extension. For example:

www.joesshop.com/Wakunaga.htm is allowed; whereas
www.joesshop.Wakunaga.com/Wakunaga.htm is prohibited.

9. Website Content and Online Advertisements.

- a. Reseller must provide Wakunaga a specific landing page on Reseller's website.
- b. Reseller must not suggest or imply that its website, advertisement, sponsored link, or any other on-line marketing used or paid for by Reseller is in any way related to the official Wakunaga website owned and operated by Wakunaga.

Examples of Prohibited Phrases: Terms such as "Official Wakunaga Headquarters", "Wakunaga Home," "Wakunaga Official Store," and "byWakunaga.com" are always prohibited. Terms such as "Wakunaga Headquarters," "Wakunaga Outlet," "Wakunaga Depot," or "Wakunaga Store" are prohibited except when clearly and conspicuously associated with the Authorized Internet Reseller (e.g. -"Wakunaga Store at Joe's Shop" or "Joe's Authorized Wakunaga Shop") and only if approved in advance and in writing by Wakunaga.

- c. Reseller may not use Google AdWords' Dynamic Keyword Insertion or any similar search tool when bidding on any Authorized Marks or any trademark used or owned by Wakunaga or Wakunaga owned brand name. All Authorized Marks must appear in the Reseller's ad text with the correct spelling and capitalization.

- d. Reseller must not use superlatives to describe the quantity of Wakunaga inventory, the pricing of Wakunaga Products, or the Wakunaga online shopping experience, on any website or in any advertisement, sponsored link, or any other on-line marketing used, paid for, or associated with Reseller.

Examples of Prohibited Phrases: Phrases such as "largest available online offering of Wakunaga," "lowest prices - Wakunaga," or "best Wakunaga website" are prohibited.

- e. Reseller must accurately describe Wakunaga Products using the Authorized Marks. The Authorized Marks must always be followed by the generic word for the Product, such as "Kyolic® products." They must never be used in the possessive or in the plural. The Authorized Marks must always be displayed in a way that distinguishes them from other surrounding words, e.g., by appearing in initial caps or full caps, such as KYOLIC or Kyolic and used in conjunction with the ® or ™ designation as directed by Wakunaga.

- f. Other than during a Wakunaga announced promotional period, Reseller must not use terms such as "on sale," "cheap," "pay less," "discounted," "excess," or "liquidation" in connection with the Wakunaga Products on any website, in any advertisement, sponsored link, or any other on-line marketing used, paid for, or associated with Reseller. However, Reseller may advertise products that are no longer current formula as such, by clearly advertising said products as "discontinued".

- g. Reseller must use only those Product images, marketing banners, and video clips provided or authorized in writing by Wakunaga ("Authorized Images") on any website, advertisement, sponsored link, or any other on-line marketing used, paid for, or associated with Reseller.

- h. Reseller must not partner with any third party that uses adware, spyware, or other software to engage in pop-up or pop-under advertising and/or generating non-user initiated activity (e.g., forced clicks or redirects). Pop-up or pop-under advertising and/or non-user initiated activity that is based on keyword searches, textual triggers, or screen-scraping associated with any Wakunaga trademark used or owned by Wakunaga or any common misspelling or confusingly similar trademarks is strictly prohibited.

- i. All Wakunaga Products must ship only to addresses within the authorized U.S. territory of the Reseller.

10. Customer Service.

- a. Reseller must have a physical street address and a landline telephone number for contact by its customers and must advise customers on its website of this physical address and the landline telephone number. Post office boxes and mobile telephone numbers are not sufficient.
- b. Reseller must provide the capability for customers to place their orders fully and completely through Reseller's website. Reseller shall not require customers to use telephone calls, faxes, and/or hard-copy correspondence to complete their orders nor permit orders to be fulfilled only through telephone calls, faxes, and/or hard copy correspondence.
- c. Reseller's website must be a secure site for customer transactions.
- d. Reseller must have a mechanism in place for confirming to the ordering customer each order placed through its website and when each order was shipped to the destination designated by the ordering customer.
- e. Reseller must display its policies and procedures for customer returns, refunds, and exchanges on its website. Reseller's website must clearly and conspicuously set forth that: (a) Reseller, and not Wakunaga, is making the sale to the customer and (b) the terms and conditions directly and indirectly applying to returns, refunds, and exchanges by customers are those of Reseller, and not Wakunaga. Reseller must provide its own facilities and personnel to address and resolve all Product exchange, refund, or return requirements.
- f. Reseller shall adhere to and comply with all pertinent State and Federal regulations, statutes, and rules applicable to taking orders or conducting business over or through the Internet.

11. Compliance.

- a. Reseller must copy and distribute this Agreement to each of its employees who are involved in Internet sales. Reseller must establish policies and procedures that will ensure compliance with this Agreement and must take affirmative steps to ensure compliance with this Agreement.
- b. Wakunaga shall have the sole, complete and final discretion to decide whether the content of a particular website, advertisement, sponsored link, or on-line marketing violates this Agreement.
- c. Wakunaga has the sole, complete, and final discretion to determine if Reseller has complied with this Agreement. Any violation of this Agreement as determined by Wakunaga in its sole, complete, and final discretion may, in Wakunaga's sole, complete, and final discretion, result in the suspension or termination of Reseller's authority to use the Authorized Marks in sponsored links, to display the Authorized Images on its website, or to sell Wakunaga Products.
- d. The terms and conditions of this Agreement amend, supplement, and, to the extent they are inconsistent, supersede any existing agreement between Wakunaga and Reseller.

12. Breach. Any violations of the terms of this Agreement shall be deemed a breach of the Agreement, entitling Wakunaga to terminate the Agreement immediately.

13. Termination. This Agreement may be terminated as follows:

- a. by Wakunaga immediately upon notice to Reseller in the event of a breach by Reseller of this Agreement; and
- b. by Wakunaga or Reseller, without cause or liability, upon thirty (30) calendar days' prior written notice to the other party.

14. Repurchase Option. Within ten (10) business days of termination of this Agreement for any reason, Reseller agrees to provide Wakunaga with a list of its inventory of the Products. Wakunaga, at its option, will have the right to repurchase from Reseller any or all saleable Products in Reseller's inventory by sending written notice of the exercise of such option within thirty (30) days from the effective date of expiration or termination or the date Wakunaga receives the foregoing list, whichever last occurs. The purchase price of such Products will be at the net invoice prices at which the Products were originally purchased by Reseller, less any discounts or allowances that Wakunaga may have given Reseller on account of such Products. If such option to repurchase is exercised by Wakunaga, Reseller agrees, at Reseller's expense to deliver

to Wakunaga Reseller's inventory of the Products in their original packages within thirty (30) days of receipt of Wakunaga's notice of exercise.

15. Amendments & Waivers.

- a. Except as otherwise set forth in Section 16(b) of this Agreement, this Agreement may be amended, waived, or modified only by a written instrument signed by an authorized officer of both parties stating specifically that it is an amendment, waiver, or modification. No waiver of any provision at any particular time shall be deemed a permanent waiver of such provision or a waiver of any other provision of this Agreement. Failure to enforce a provision shall not be deemed a waiver.
- b. Wakunaga may amend any Schedule in this Agreement by providing notice to the Reseller, and any such amendment shall become effective immediately upon delivery of such notice.

16. Entire Agreement. This Agreement, the Schedules, any additional terms and conditions mutually agreed upon in writing by the parties, Wakunaga's written invoices, and any and all personal guarantees or assurances of payment set forth in Reseller's New Account Application set forth the entire understanding and agreement of the parties and supersede any and all oral or written agreements or understandings between the parties as to the subject matter of this Agreement.

17. Law and Forum. This Agreement shall be deemed to have been entered into and fully performed in the State of California and shall be governed by and construed in accordance with the laws of the State of California without regard for the conflicts of laws rules thereof. Reseller agrees that all controversies, disputes and claims arising out of this Agreement shall be adjudicated exclusively by a court of competent jurisdiction within Orange County, State of California or the United States District Court for the Central District of California, except that any judgment in any such action may be enforced in other jurisdictions by suit or in any other permitted manner. Reseller irrevocably consents to the jurisdiction and venue of the state and federal courts of California and waives any rights to seek a transfer of venue for any reason or to claim that the forum is inconvenient.

18. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.
